RECOMMENDATIONS

Recommendation means giving an **advice/suggestion** of something which is good or best.

Rules:

1. Number each step like 1,2,3,
2. Start the sentence by using phrases **it is recommended to, suggested to, advised to, important to, necessary to.**
3. Write one advice or suggestion in one point

Example: Write a set of 8 recommendations to keep your phone work smoothly.

1. It is recommended to keep your phone away from water and dusty area
2. It is suggested to clean the screen, camera, phone's speaker regularly
3. It is important to check your phone's storage often
4. It is advised to clean the phone's storage if necessary
5. It is important to download apps only from authorised sources
6. It is advised to remove unwanted apps and files from the phone
7. It is recommended to remove high level of graphic games
8. It is suggested to check your phone's battery if necessary

Exercise:

1. Write a set of eight recommendation to keep your laptop and mobile free from cyber-attack.
2. In recent days the number of water pollution is increasing. Write a set of eight recommendation to prevent water sources from pollution.
