

## **Puzzle: Classify the Services**

You have four different services. Your task is to classify each one into its correct category based on the type of service it is: People-based, Possession-based, Mental Stimulus-based, or Information-based.

### **Services:**

1. **Hospital Check-up**
  2. **Car Repair**
  3. **Online Education Course**
  4. **Tourism Consulting**
- 

### **Categories:**

- **People-based Services:** Services provided directly by people, such as healthcare or personal care.
- **Possession-based Services:** Services related to the ownership or care of a physical object.
- **Mental Stimulus-based Services:** Services that affect the mind, such as education, entertainment, or therapy.
- **Information-based Services:** Services providing information, advice, or insights, typically through consulting or data analysis.
